Service Experience, Time in Business - Contracts

A bidder must have occupied a bona fide place of business for at least one year with suitable equipment, supplies and

a trained staff capable of performing the services requested. A bidder must furnish satisfactory evidence of successful completion of comparable contracts for at least three customers within the past two years and any other

evidence required and requested in order to establish evidence of its ability to provide services in accordance with

the terms and conditions and specifications. Enter the length of time in business and evidence of completion of three comparable contracts in the space provided below.

Failure to provide at least three comparable contract references with satisfactory quality of service may result in the bid being considered non-responsive and cause for rejection of the bid.
